## FALCON URINAL SCREEN

Falcon Waterfree Technologies is the ultimate urinal solution and now we've got the ultimate urinal screens too! For over 10 years, Falcon has provided the world with the best, market-leading urinal technology based on intensive R&D and unrivaled customer support.

Our vitreous china waterless urinal, with specialized sloped housing and patented liquid trap cartridge, provides the most robust urinal solution available anywhere in the world. Ensure you get the best results with your Falcon Waterfree Urinal by pairing it with the Falcon Urinal Screen.

“Falcon Waterfree urinals are predicted to be 500 times more effective against back migration of sewer gases as compared to conventional P-trap water barriers.”

-Michael Hoffman, Ph. D  
California Institute of Technology

## ADVANTAGES

### FRESHENS RESTROOMS

Freshens urinal for up to 30 days, with up to twice as much fragrance as look-a-like screens.

### SMART DESIGN

Simply pull off the date tabs upon installation to remind you when to change the urinal screen.

### LEED FRIENDLY

Meets criteria for LEED “Purchase of Sustainable Cleaning Products and Materials” point management system.

### REDUCES SPLASH BACK

Revolutionary design with longer protrusions on top releases fragrance and reduces splash back.

### SANITARY

Releases billions of optimized bacteria that control odors for urinals that are not regularly maintained.

### TRAP FOR DEBRIS

Collects debris before it reaches the cartridge, thereby extending the Falcon cartridge life.

### ONE-OF-A-KIND SCENT

Wintergreen scent is unique and refreshing!
